### Background:

National Banking Institute is pleased to present a virtual two hours “Friday Talk Series Episode 2 on “; xlnotk0f{shf{sf nful Aofh cgbfg ; DalGw sfolj lw- @)&%”.

As per “; xlnotk0f{shf{sf nful Aofh cgbfg ; DalGw sfolj lw- @)&%” to seven identified sectors, NRB has mandated a minimum number of such loans depending upon the categories of BFIs to be disbursed before the end of FY.2077/ 78. We understand that many banks are struggling to achieve their targets. One of the reasons for underperformance can be the lack of understanding among RM’s and BM’s of the provisions in the said guidelines.

Therefore, in order to help BFI’s employees make their understanding clear about the subject, NBI is organizing a 2 hours program as a part of Friday Talk Series.
