CREDIT APPRAISAL COURSE

Testimonial from the previous course:

- 1. The program was directly linked to my current job. This definitely helped me a lot to understand the subject matter.
- 2. The program was very useful to the beginners in credit department. It was able to pin point even the small data and was able to interpret the meaning of the data so this is very fruitful to all the learners.
- *3. Overall the training was very much relevant and useful to the responsibility assigned at workplace.*
- 4. Highly knowledgeable and experienced resource person. Highly beneficial training.
- 5. It is grateful & useful training program.
- 6. Outstanding Excellent.

Program Objectives:

- 1. Create a solid base for a better future in Credit Department.
- 2. Understand Credit Appraisal comprehensively.
- 3. Be able to use the knowledge and skills immediately.
